◆ Where Sportsmanship Redefines Competition ◆

Dear Parents & Guardians,

On behalf of Raleigh Parks and Recreation Department and District B, welcome to the Youth Basketball League!!

We hope that your child will benefit from the program by improving their basketball skills, practicing good sportsmanship, and furthering their socialization skills!

We need your assistance to reach this goal. Please help us promote open-mindedness, good sportsmanship, kindness, and respect by setting the example and by projecting the same characteristics onto your child. Please refrain from using inappropriate language and teasing. This is an instructional league that should be a fun learning experience for all!

Also, please remember that our coaches are volunteers, dedicating their personal time to provide this opportunity for the children. Please show them your gratitude by treating them with respect.

Enclosed you will find our Department Philosophy and Code of Conduct for youth athletics. Please familiarize yourself, your child, and your family and friends with this information. In an effort to provide a quality experience for all, we have implemented a new Suspension Level Policy in accordance with our Code of Conduct. You will also find a copy of your child's league rules enclosed.

Within District **B**, your child may practice and play at **Green Road Park, Lions Park, Marsh Creek or Millbrook Exchange Park**. Your coach will update you on the time and location of your practices and games.

As always, staff from all centers are here to serve you and your children. We encourage all parents and participants to speak with staff if there are concerns or suggestions that would enhance the program or help us address any problems that may occur during the season.

If you have any questions regarding the league, please feel free to contact any of the staff at the numbers listed below. With everyone's effort to promote positive sportsmanship, we look forward to a safe and enjoyable season for all!!

Sincerely,

Green Road
